

Tena koutou katoa, welcome to the July 2020 edition of He Panui, a bi-monthly newsletter to keep whanau updated and informed with current business, services, whanau activities and upcoming events. We look forward to more activities and programmes with the Tangata Whaiora and whanau.

Business Updates

Te Kotuku Ki Te Rangi's operations are back to normal under **COVID-19 Alert Level 1**. The protocols and guidelines of the Ministry of Health (MOH), the Waitemata District Health Board (WDHB) and the Trust's Pandemic Plan are being strictly followed. All sites maintain an ample supply of PPE's such as disposable masks & gloves, aprons and gowns. The sites are also fully stocked with hand sanitisers which are strictly being used daily. Contact tracing registries are also being used in all sites for visitors as per Ministry and DHB guidelines.

Programmes

The 2020 **Mauri Tau & Hakinakina** Programmes have restarted much to the delight of Tangata Whaiora and kaimahi alike.
